

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like offering items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, along with owners' strong desire to significantly lower cost through productivity gains.

When considered necessary, the workers within TREK and its various dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine which eventually lowers your cleaning expense. The product, the price and the service all work together to make them the leader in the trade.
