

American Lincoln Part

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are recognized in the business as providing strong and durable equipment which suits all the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company that is presently also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These types of scrubbers are available in the market under the trade mark name "Encore". American Lincoln can supply machinery, parts and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where results and efficiency count. Lately, this floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
